

WE'RE PART OF THE LINKER NETWORK

Organisations displaying the Linker Network logo work together so that you get the support you need, when you need it.

We do this with:

1/ Always Welcome Approach

2/ Network of Linkers

3/ Family-Centred Plan

Everyone in the Linker Network will:

- Take the time to listen to you
- Take notes so that you only have to tell your story once
- Provide you with a Linker, who will help you find the support you need
- Provide good customer service every time you visit
- Work with you so you get the help you need
- Link you to the right people who can help, if that's not us
- Continue to check-in with you until you don't need or want us to
